

MAY 2024 NEWSLETTER UPDATE

Dear Co-Laborers in Mission,

We are excited to share updates on our progress and ongoing efforts in the village! Your prayers and generous contributions have been instrumental in advancing our mission. Here's a look at what we've been working on.

Workers setting up the slab for the 2nd floor of New Hope academy

We've made significant progress on the second floor of our school building. Despite high construction material prices due to the situation in Haiti, we've poured the slab on April 26th. There is still much to do, but we're closer to our goal. We thank God and our supporters for making this possible.

The next steps involve installing the structural beams and columns to support the floor above. Our construction team has been working tirelessly to ensure that the building is safe and secure for all who will use it.

With each milestone we reach, we are filled with hope and determination to see this project through to completion!

Outside view of the construction's preparation for the slab

Our commitment to spreading the gospel and reinforcing the faith within the community remains unwavering. Despite being mainly Catholic, the village has embraced us warmly. With a dedicated leadership team, our church community is expanding its knowledge and comprehension of God's teachings.

NEW HOPE ACADEMY SCHOOL NEWS

Our school has been blessed with growth in both student numbers and academic achievements, establishing itself as a respected institution in the local community. The community values our commitment to quality education, childcare, biblical teachings, and social development. We seek divine provision to finish constructing new classrooms for the upcoming school year. We appreciate our devoted staff and the support from parents and community leaders. The church team actively engages our students in Sunday school and various events, strengthening our school community.

Outdoor School Signage for Pre-K to 8th grade

The unwavering support from pillars of faith, education, and community fills us with hope and determination. As we look ahead, we anticipate greater opportunities to positively impact the lives of our students and families. Our goal is to nurture their intellect, compassion, and resilience, empowering them to become well-rounded individuals.

We want to thank all our partners and friends in mission for their prayers and generous support that make it possible for us to continue proclamation of the gospel and educating children in these villages.

OPPORTUNITIES FOR PARTNERSHIP

As part of our ongoing mission, we have identified areas where your support can make a significant impact. We invite you to partner with us in fulfilling these needs to further our shared goals. Our Compassion Ministry supports needy families with healthcare, education, food, and more. We rely on God's promises to meet these needs, as stated in Philippians 4:19. In Philippians 4:19, Apostle Paul says that God meets all of our needs according to the riches in Christ Jesus. He says God promises that as we participate in the ministry of the gospel, we'll be blessed. We rely on God's promises always.

CURRENT NEEDS - CONSTRUCTION

We earnestly request your support through prayers and material assistance to advance the development of New Hope Academy and its students. As it stands, we are in need of doors and windows for the school building, floor ceramics, and paint in addition to a number of other construction materials. We trust that the Lord will provide, always. Your continued support and prayers have been a blessing to us. Thank you.

For us to accomplish the goals and tasks ahead of us for the remainder of the year, we are in need of sponsorship for our ministry partners. We aim to make quality education accessible to all children in our community. We also need sponsors to help cover school tuition costs for those who cannot afford it. By supporting these staff member and the students, you are not only helping provide new books and materials, you are investing in their future and in the betterment of the community in Haiti.

THANK YOU ALL!

I want to extend a heartfelt thank you to all our partners and friends in mission. Your prayers and generous support enable us to continue proclaiming the gospel and providing education to the children in these villages. Your dedication makes this mission possible, and we are deeply thankful for you unwavering commitment. We are grateful to have you as part of our family. Your continue support helps us immensely. Your prayers and contributions enable us to advance the Lord's kingdom in this village. Thank you for being such vital part of our mission.

Together in His Vineyard,

TE Hector Roberto Mardy
